The best protection that parents & caregivers can provide is education & intervention. Bullying is a form of violence & not a rite of passage! Online bullying also occurs, so parents & caretakers should monitor Internet usage as well as behaviors. If your child is the victim or the perpetrator of bullying, the consequences can be dire. To learn more about how to prevent and/or address bullying, call Debora Jones at 508-674-4681.

ALL THE ADVANTAGES: We want to give our children what we didn't have; but let's make sure we give them what we did have: our faith.
